

DEAN TRUST Wigan

Chief Executive: Mr Tarun Kapur CBE
Executive Headteacher: Mr James Haseldine

November 2020

Dear Parents / Carers

Dean Trust Wigan is part of a wider community and we must ensure that the school plays a positive part in the local area. This is particularly important as we have a public library is on site, a primary school that is connected to the school grounds and that a large amount of residential housing is in the surrounding area.

In keeping with our three school rules be ready, be respectful, be safe; we are reminding our pupils who use bicycles, scooters or other modes of transport of the need for pupils to travel safely and respectfully to school. Please can you discuss this with your child if they use one of these modes of transport to school. We would ask that pupils dismount when they arrive on school grounds and wait until they are off school grounds before getting on their bike or scooter. This includes the pathway alongside school and alongside Lamberhead Green Primary School. Pupils need to be conscious that other adults and young children use these access routes and there have been reports from concerned residents of pupils riding on public pathways.

I would ask that you support us with this message by speaking to your son/daughter and explaining the need to travel safely and respectfully at all times so that we can continue to offer bike parking facilities.

Yours sincerely

pp Mr J Haseldine
Executive Headteacher
