All sessions will be led by department staff with a member of the school leadership team also on site.

Unfortunately, we are unable to offer a catering service on these days so pupils should bring their own snacks / drinks / lunch that they will be able to eat in the dining area.

Pupils should attend in their own clothes with a face covering unless medically exempt. All Covid-19 safety protocols will be in place as per a normal day at school including a full track and trace system if required.

Pupils will need to arrive at the attendance office on the PE corridor where they will be welcomed by myself or Mr Henry.

To confirm your child's attendance at these events paid for by the school for your child please complete the [online booking form](#) indicating which session they will be attending.

Many thanks for your continued support
